

Fall 23/Spring 24'

Undergraduate Schedule of Tuition and Fees

Fall 2023 & Spring 2024 Tuition Rates Approval

***Most Fees have been approved. Some are estimated until
approved.***

As a member institution of the UNC System, Appalachian State University's methods of calculation and rates of tuition and course related fees must be approved by the UNC Board of Governors. Miscellaneous service charges are approved at the campus level by The Appalachian State University Chancellor.

Tuition and Fees for FALL and SPRING (each term)

Tuition

As required by the UNC Board of Governors, All students will be charged tuition on a per credit hour basis using the approved annual rate divided by 24 for undergraduate students and 18 for graduate students. The exception for students that are part of a Fixed Tuition Cohort per North Carolina General Statute 116-143.9. For more information related to fixed tuition see the [NC Fixed Tuition Guarantee Webpage](#). Rates for students in a fixed tuition cohort are found below under subheading *Fixed Tuition Cohorts*.

Fees

Although the General Assembly provides for most of the instructional costs of institutions through state appropriations, institutions generally rely entirely on student fees to finance activities, services, and some facilities that enhance the overall student experience. These fees are considered part of the cost of enrollment in a program and do not reflect the provision of any specific service. Fees are assessed based on the program the student is enrolled in as well as student level (undergraduate or graduate). Miscellaneous Fees are approved by the Appalachian State University Chancellor. Some Miscellaneous fees may not be fully approved at the time of the creation of this Tuition and Fee Schedule.

Appstate Online Programs: Students who are enrolled in a program designated as an Appstate Online Program will be assessed fees at the Appstate Online Program rates. These fees are charged pursuant to considerations surrounding the functionality of online programs. This also includes Appstate Online Programs that meet at an offsite location (The Hickory Campus is Considered part of our Main Campus). Online programs may not provide access to all campus services and facilities. Students enrolled in an Appstate Online program may contact the Office of Student Accounts if the student wishes to opt-in to the Health Services Access Fee. If a student opts in the full-time rate will be charged regardless of the number of hours the student is enrolled. If a student is enrolled in an Appstate Online program, all courses will be assessed at the Appstate Online fee schedule.

Boone/Hickory Campus Programs Program based fees are required for students enrolled in a program, designated for the Boone or Hickory campus, regardless of participation in or use of program-based services or facilities. The only exception to these required fees is that a student may opt-out of the book rental fee. Please contact the campus bookstore for opt-out deadlines and to request to opt-out. If a student is enrolled in a Boone/Hickory campus program, all courses will be assessed at the Boone/Hickory campus program fee schedule.

If you have questions regarding which fee structure applies to your program please consult your advisor or The Registrar's Office (for undergraduate) and Graduate Studies (for all other levels). Once tuition and fees are charged, The Office of Student Accounts can assist with explanation of the charges. We cannot answer questions related to why a specific program is designated as either Appstate Online or Boone/Hickory campus program fees.

Undergraduate Boone / Hickory Campus Rates

These rates apply to all undergraduate students enrolled in programs based in the Boone or Hickory Campuses except students that are in a Fixed Tuition Cohort.
