

Summer 2025

# Appalachian

STATE UNIVERSITY

## *Schedule of Tuition and Fees*

**Rates approved by the University of North Carolina  
System in March 2025**

**Summer Tuition and Fee Rates for the Boone Campus Programs** are approved by the UNC System President. Some Miscellaneous Fees that are approved by the University Chancellor may be tentative at the time of publication of this document.

**Summer Tuition and Fee Rates for App State Online Programs**

Boone Campus Rates are approved by the UNC President. App State Online Rates are the same as the preceding Fall and Spring rates with the exception of any Chancellor-approved fees. App State Online summer rates are found on page 5 of this document.

**Additional Information**

Although the General Assembly provides for most of the instructional costs of institutions through state appropriations, institutions generally rely entirely on student fees to finance activities, services, and some facilities that enhance the overall student experience. These fees are considered part of the enrollment cost in a program and do not reflect the provision of any specific service. Fees are assessed based on the program the student is enrolled in as well as the student's level (undergraduate or graduate). Miscellaneous Fees are approved by the Appalachian State University Chancellor. Some Miscellaneous fees may not be fully approved at the time of the creation of this Tuition and Fee Schedule.

**App State Online Programs:** Students who are enrolled in a program designated as an App State Online Program will be assessed fees at the App State Online Program rates. The majority of these rates are approved with the Fall/Spring Rates that were in effect the prior Fall/Spring terms. These fees are charged pursuant to considerations surrounding the functionality of online programs. This also includes App State Online Programs that meet at an offsite location. Online programs may not provide access to all campus services and facilities. Students enrolled in an App State Online program may contact the Office of Student Accounts if the student wishes to opt in to the Health Services Access Fee. If a student opts in, the full-time rate will be charged regardless of the number of hours that the student is enrolled. All courses will be assessed at the App State Online fee schedule if a student is enrolled in an App State Online program.

**Boone/Hickory Campus Programs:** Program-based fees are required for students enrolled in a program designated for the Boone campus, regardless of participation in or use of program-based services or facilities. The only exception to these required fees is that a student may opt out of the book rental fee. Please contact the campus bookstore for opt-out deadlines and to request to opt-out. All courses will be assessed at the Boone campus program fee schedule if a student is enrolled in a Boone campus program.

If you have questions regarding which fee structure applies to your program, please consult your advisor or the Registrar's Office (for undergraduate) and Graduate Studies (for all other levels). Once tuition and fees are charged, the Office of Student Accounts can assist with explaining the charges. We cannot answer why a specific program is designated as App State Online or Boone/Hickory campus program fees.
